Go to your workspace

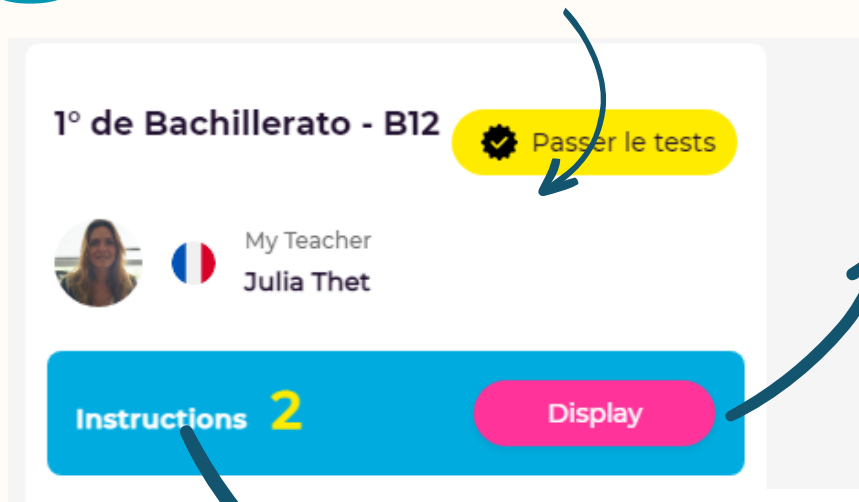

1 Join the class

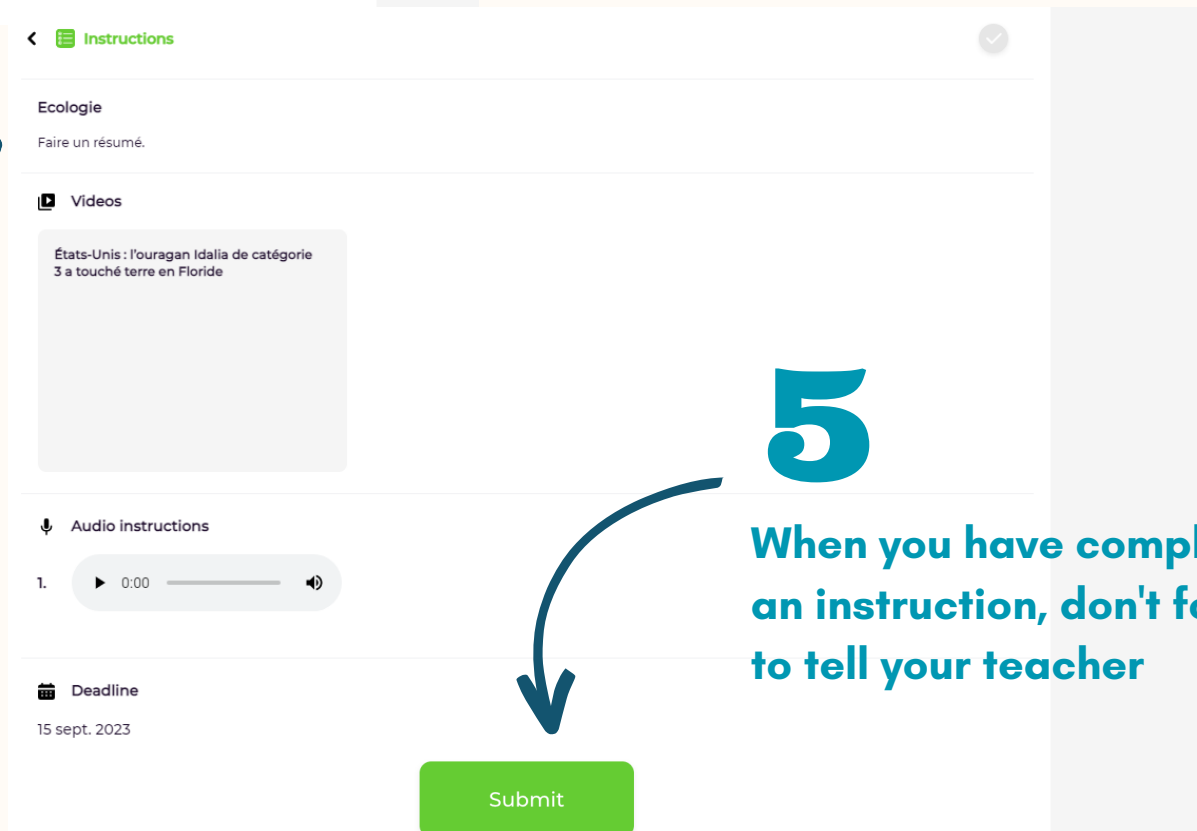

2 Enter the ID provided by your teacher

3 Your class appears in your workspace

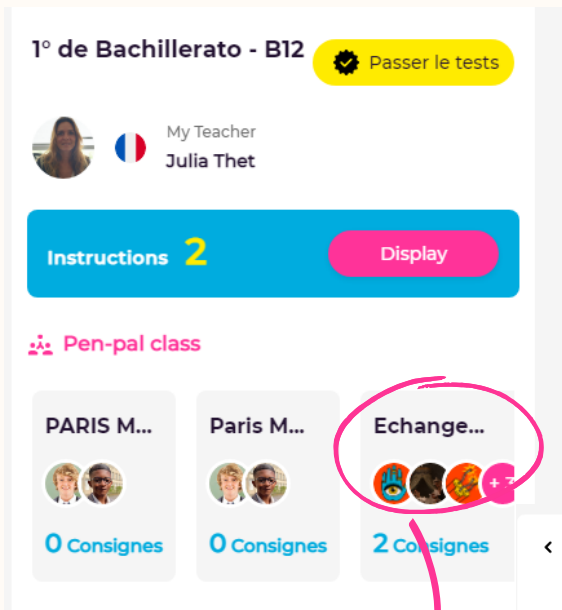

4 Follow your teacher's instructions

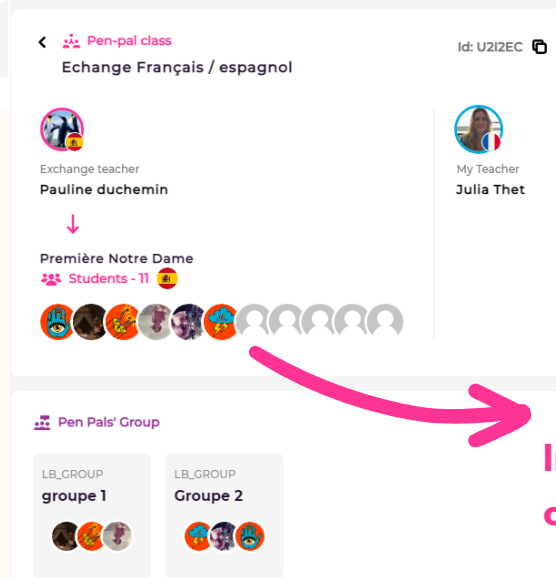

5 When you have completed an instruction, don't forget to tell your teacher

WORKING IN A PEN PAL CLASS

1 - Your teacher can create a pen pal class to enable you to work with students who are native speakers of the language you are studying. You'll be notified and automatically integrated into the class.

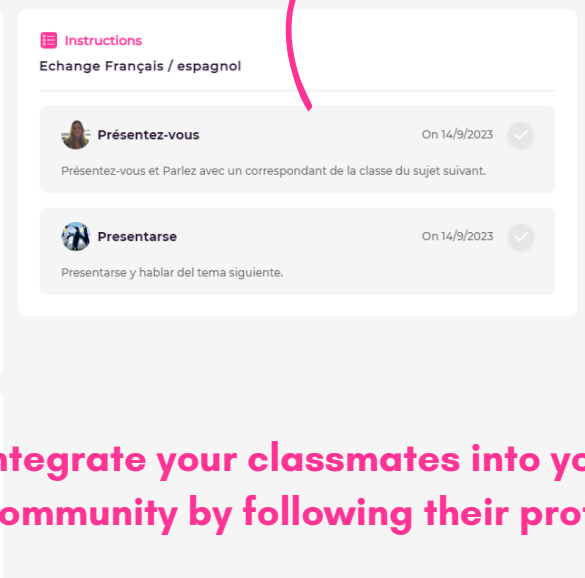

Click on the class to open it

Integrate your classmates into your community by following their profiles

Follow your teacher's instructions

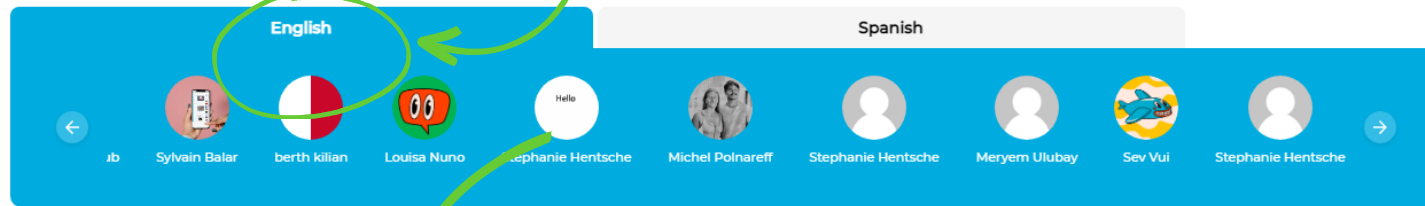

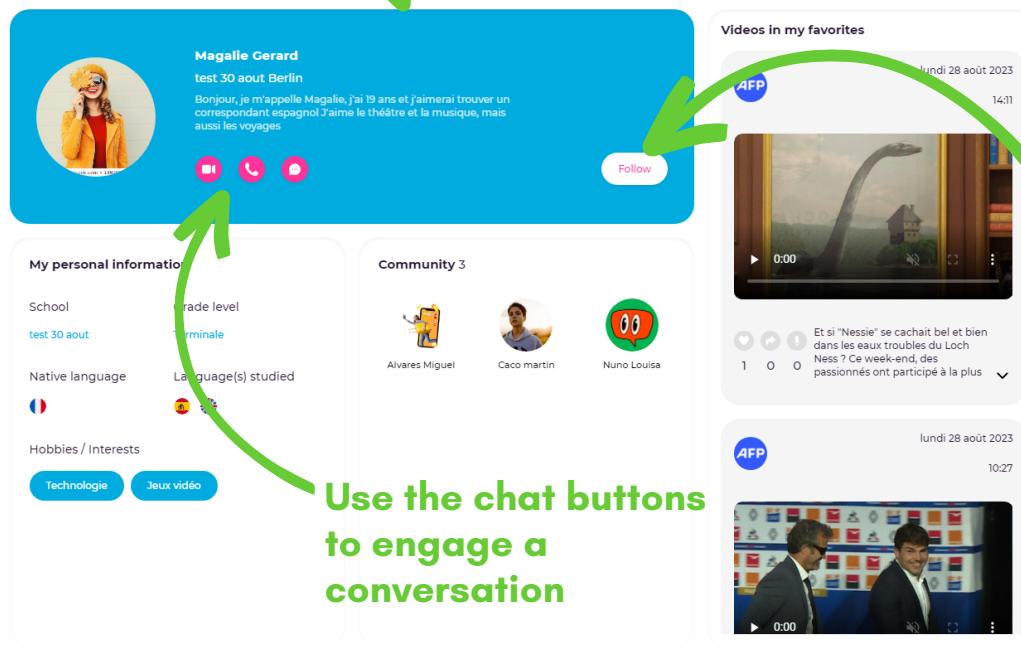

CREATE YOUR OWN PEN PALS COMMUNITY

Get to know

Discover new pen pals by selecting language

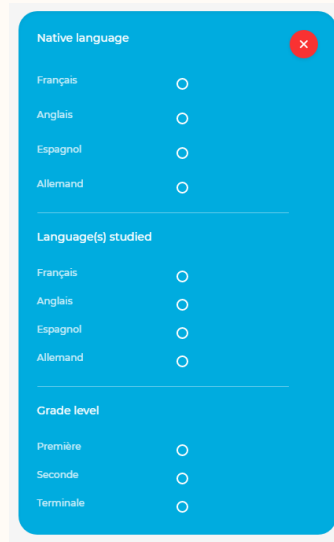

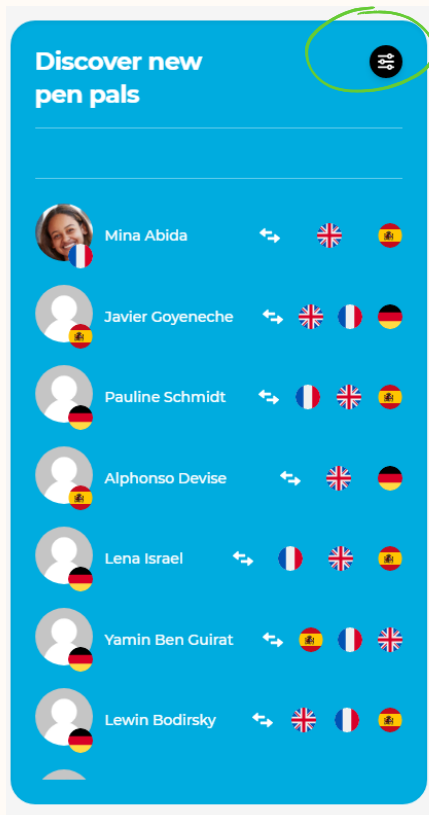

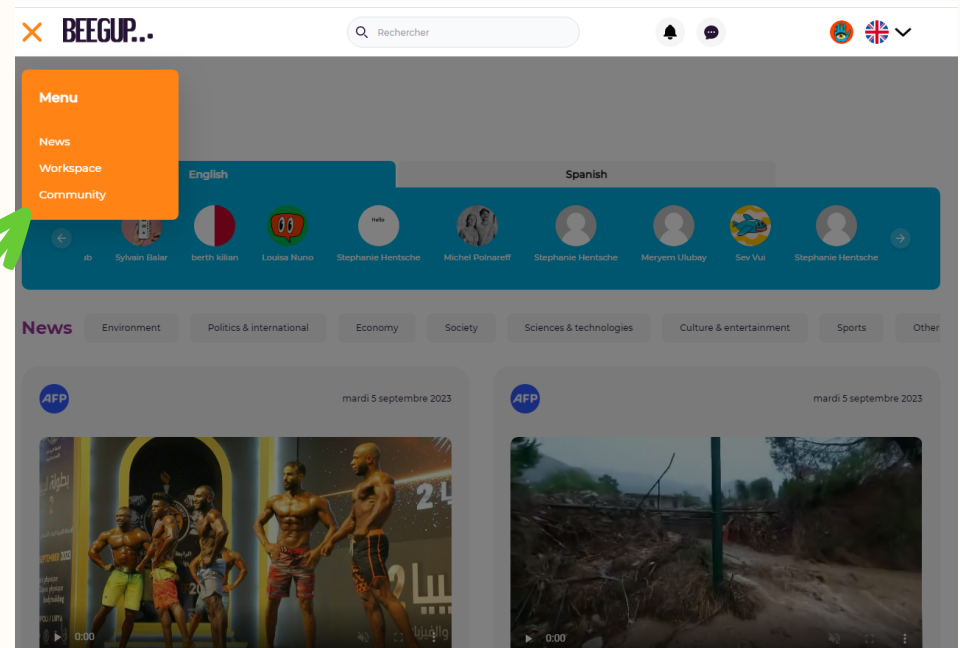

Click on the pen pal's photo to open their profile

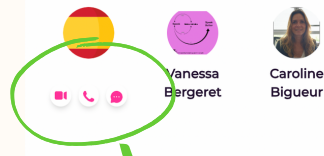

Click on "follow" to find the pen pal in your community
