YOU CAN CREATE A PEN PAL CLASS WITH THE STUDENTS IN YOUR CLASS.

1 - Consult the teachers' community to find a teacher who would like to create an exchange class.

View teacher profiles

Follow him – he'll be part of your community

Use chat buttons to interact with the teacher

2 - Go to your workspace and select the class with which you wish to set up a pen pal class.
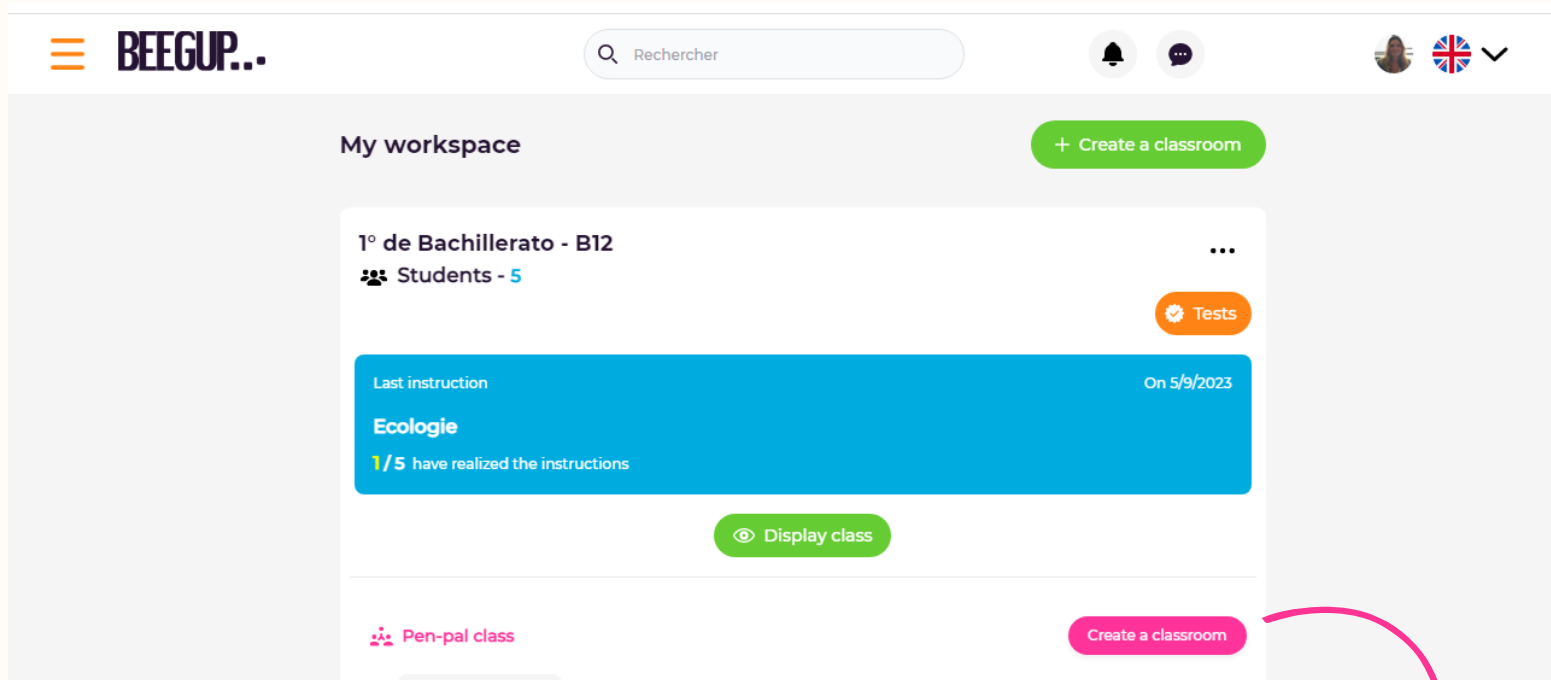

**The creation of a pen-pal classroom is at the initiative of one of the two teachers.
The teacher who creates the class will send the class ID to the other teacher so that he/she can join the class with his/her students.**
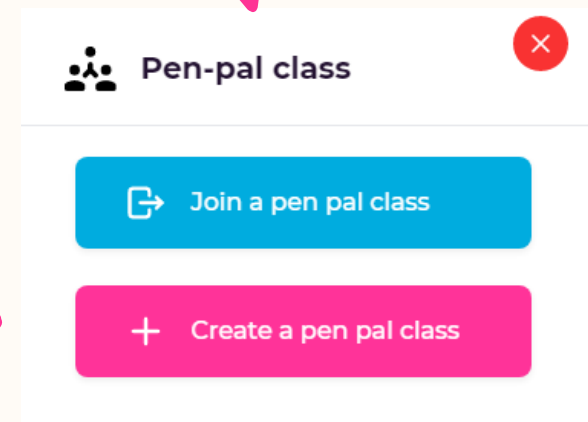

Name the class and confirm to display the pen pal class in your classroom.
